

Our Equipment Range

PS5 – Hand / Repair Sealer

- > Hand-feed unit
- > Simple Operation
- > Jog Reverse
- > Used as a printer spoils repair machine

PS15 – Low Duty Pressure Sealer

- > 1500 forms / hour
- > Simple Operation
- > Jog Reverse
- > Z and V fold capability
- > Fully adjustable folding plates
- > Full jam detection
- > Low noise

PS35 – Low Duty Pressure Sealer

- > 3500 forms / hour
- > Simple Operation
- > Jog mode
- > Z,V & C fold capability
- > Fully adjustable folding plates
- > Full jam detection
- > 200 Sheet in-feed
- > Low noise
- > Forms counter

PS100 – Medium Duty Pressure Sealer

- > 5000 forms / hour
- > Simple Operation
- > Jog mode
- > Z,V & C fold capability
- > Fully adjustable folding plates
- > Full jam detection
- > 250 Sheet in-feed
- > Low noise
- > Forms counter

PS300 – Medium Duty Pressure Sealer

- > 9000 forms / hour
- > Automatic in-feed tray
- > Z,V & C fold capability
- > Fully adjustable folding plates
- > Full jam detection
- > 500 Sheet in-feed
- > Low noise
- > LCD display
- > Power conveyor

PS300VS – Medium Duty Pressure Sealer

- > 12000 forms / hour
- > Automatic in-feed tray
- > Z,V & C fold capability
- > Fully adjustable folding plates
- > Full jam detection
- > 500 Sheet in-feed
- > Low noise
- > LCD display
- > Power vertical stacker holds 1500 forms
- > Standard with cabinet

PS600 – Heavy Duty Pressure Sealer

- > 18000 forms / hour
- > Suction fed for continuous processing
- > All folds available up to 22"
- > Two or four fold plate optional
- > Full electronic jam detection
- > 500 Sheet in-feed
- > Standard out feed conveyor
- > Heavy duty
- > Optional Barcode integrity reader

PS700 – Heavy Duty Pressure Sealer

- > 30000 forms / hour
- > Suction fed deep pile feeder
- > All folds available up to 22"
- > Two or four fold plate optional
- > Full electronic jam detection
- > 4000 Sheet in-feed
- > Standard vertical stacker
- > Heavy duty
- > Optional barcode integrity reader

PS800 – Very Heavy Duty Pressure Sealer

- > 40000 forms / hour
- > Suction fed feeder *
- > All folds available
- > Four fold plate as standard
- > Full electronic jam detection
- > Standard hi-capacity stacker**
- > Very heavy duty
- > Optional barcode integrity reader
- > Programmable job settings
- > Electronic fold plates

*Many in-feed options available

**Vertical stacker option available
